

# South Asian Transactional Analysis Conference

**2-4 SEPTEMBER 2016**

KIB COMPLEX, KHAMARBARI, DHAKA, BANGLADESH  
IBOC EXAMS AND PRE-CONFERENCE

THEME:

## **FREEDOM WITHIN**

There exists within each one of us a place of freedom to experience love, joy & peace. Therefore life for each one of us is a matter of choice either to suffer or to enjoy. Autonomy according to Eric Berne is having the "capacities of awareness, spontaneity & intimacy" leading to growth, change towards finding this freedom within. How do we nurture and attain this freedom within to establish the freedom without??
